KDAT

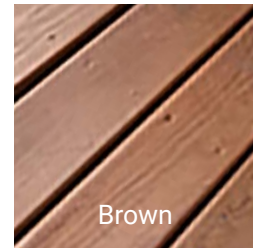

KDAT WHO DAT?

Northern Crossarm KDAT Lumber Deck Boards

Essential Performance. Smart Choice.

BENEFITS

- **Kiln-Dried After Treatment (KDAT)** for reduced warping and shrinkage
- **Pressure-treated durability** for long-lasting outdoor performance
- **Great value for everyday decks** — budget-friendly without compromising quality

Not available in all areas.

TIMBER TECH

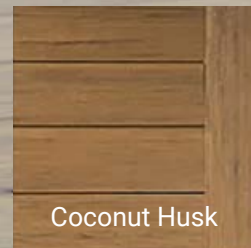

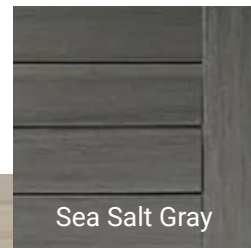

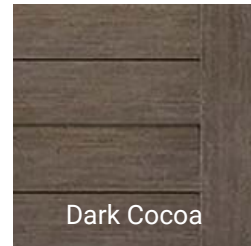

TimberTech® Prime+ Composite Decking

Elevated Experience. Everyday Luxury.

BENEFITS

Includes all Foundation Series features, plus:

- **Composite technology** that mimics natural wood without the upkeep
- **Capped protection on 3 sides** for enhanced resistance to moisture, fading, and staining
- **Cooler surface underfoot** compared to traditional composite materials
- **Low-maintenance convenience** — no sealing, sanding, or staining
- **25-year Fade & Stain Warranty** for long-term peace of mind

TRUE NORTH COMPOSITE

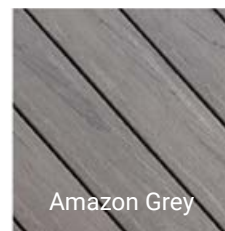

TruNorth® Series with CoolDeck® Technology

Uncompromising Innovation. Ultimate Outdoor Luxury.

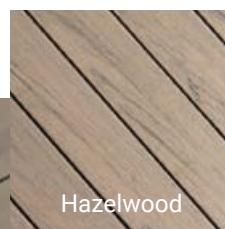

BENEFITS

Includes all Shly Select features, plus:

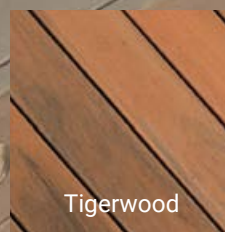

- **CoolDeck® Technology** — up to 35% cooler than standard composites
- **Eco-smart materials** — made with 95% recycled content
- **Dual-embossed grain pattern** for a deeper, richer wood look
- **Hidden fastener compatibility** for a sleek, seamless install
- **Scratch and moisture resistance** that performs in every climate
- **Premium color selection** including rich, tropical wood tones
- **25-year Fade, Stain & Structural Warranty** — top-tier protection, built to last

RISER LIGHTS

Light Up Your Outdoors — Effortlessly

Modern Deck Lighting That Elevates Every Evening

BENEFITS

Smart & Seamless Control

Control your entire lighting system straight from your phone — no remotes, no hassle. Whether you're using **WiFi** or **Bluetooth**, it's just a tap to adjust brightness, set timers, or create the perfect vibe.

Plug-and-Play Simplicity

No hardwiring. No headaches. Our system is **designed for fast, easy installation**, plugging right into a standard outdoor outlet. Spend more time enjoying your deck — not installing it.

Versatile Lighting Options

Illuminate your space exactly how you like it:

- **Post Cap Lights** for a soft, ambient glow
- **Riser Lights** to safely light each step
- **In-Deck Lighting** for a sleek, modern finish
